Two options to make the most of your hard-earned money...

Finding the account that's right for you can be a challenge. But when it comes to earning the highest rate for your hard-earned dollar, choosing a Qualstar Money Market account is one of the easiest decisions you'll ever make! If you typically keep a higher balance in your savings and access those funds less frequently, we want you to earn the highest rate possible.

►► **Premier Money Market** - A higher rate option, when a \$10,000 average daily balance is maintained throughout the month and eStatements are received. If the average daily balance is below \$10,000 at the end of the month, and/or if eStatements are disabled, the regular Money Market tier rate is earned for that period (refer to the current Deposit Rate Sheet):

Tiers: \$0 to \$9,999.99 \$10,000 and over

►► **Money Market** - A traditional account, with tiered rates that provide an opportunity to earn more based on your balance. Minimum \$2500 balance required to earn lowest rate, with no other account requirements:

Tiers: \$2,500 to \$9,999.99 \$10,000 to \$49,999.99 \$50,000 to \$99,999.99 \$100,000 and over

Money Market Features & Benefits:

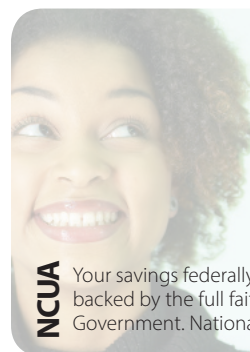

- A tiered, higher rate structure to make the most of your money.
- Convenient access to your funds by phone, in person at a branch location, via Home Banking, Mobile Banking or using pre-printed checks* (30 per box).
- Up to six (6) pre-authorized automatic withdrawals per month (online or phone transfers, written check or ACH withdrawals) with no fee.**
- No limit on the number of withdrawals, transfers or check requests made in person, by mail, or at an ATM.
- Unlike a certificate, a Money Market has no term limitations - your funds are always "liquid" and can be accessed at any time.

*Accounts opened based on ChexSystems approval; credit approval required for check writing services.

**A maximum of six (6) pre-authorized, automatic withdrawals may be made per month from a Money Market account before a \$7.00 fee is assessed per withdrawal. Fees can reduce earnings.
