This "Rate and Fee Disclosure" document sets forth current conditions, rates, fees, and charges applicable to savings, checking and certificate accounts at VSECU at this time. The Credit Union may offer other rates and fees or amend the rates and fees contained in this schedule from time to time. Each account holder agrees to the terms set forth on this "Rate and Fee Disclosure" document and acknowledges that it is a part of the Business Member Service Agreement Part 2.

Rates and yields may change after account opening. Fees could reduce earnings. Early withdrawal penalties apply to certificates.

<sup>1</sup> The minimum daily balance requirement and below minimum daily balance fee applies only if: i) your business maintains only a membership account at the Credit Union; and ii) your business has not used the membership account for six (6) consecutive months.

## Additional Account Disclosures

Except as specifically described, the following disclosures apply to all of the accounts:

### 1. Membership Par Value

The par value for membership is \$25 in a Share Savings account.

### 2. Dividends/Interest

The Dividend Period begins on the first calendar day of the period and ends on the last calendar day of the period. For all accounts, interest or dividends are calculated using the Daily Balance method, which applies a daily periodic rate to the balance in the account each day. Dividends or Interest will begin to accrue on noncash deposits (e.g., checks) on the business day you make the deposit to the account. If you close the account before accrued dividends or interest is credited, accrued dividends or interest will be paid at the time the account is closed.

### 3. Account Limitations

For all savings accounts and money market accounts, no more than six (6) preauthorized, automatic, or telephone transfers may be made from these accounts to another account with us or to a third party in any statement cycle. If you exceed these limitations, the transfer may not be made, or the account may be subject to a fee or be closed.

### 4. Certificate Account Features

#### a. Rate Information

The Annual Percentage Yield is based on an assumption that interest will remain on deposit until maturity. A withdrawal of interest will reduce earnings.

#### b. Account Limitations.

After the account is opened, you may not make additional deposits to a Certificate account until maturity.

#### c. Maturity.

The Certificate account will mature on the maturity date set forth on your Certificate Receipt or Renewal Notice.

#### d. Early Withdrawal Penalty.

We may impose a penalty if you withdraw any of the principal of the Certificate account before the maturity date.

**i. Amount of Penalty.** The amount of the early withdrawal penalty is based on the term of the account, as follows: i) For accounts with terms of 1 year or less, the penalty is equal to 90 days' interest on the amount withdrawn; or ii) For accounts with terms of more than one year, the penalty is equal to 180 days' interest on the amount withdrawn.

**ii. How the Penalty Works.** The penalty applies irrespective of whether the interest has already been earned or not. If accrued interest is insufficient to pay the penalty, it will be deducted from principal.

**iii. Exceptions to Early Withdrawal Penalties.** At our option, we may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances: i) when an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction; ii) where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment; or iii) where the account is an IRA and the owner attains age 59½ or becomes disabled and begins making periodic withdrawals.

#### e. Renewal Policy.

Certificate accounts are automatically renewable accounts. Automatically renewable accounts will renew for another term upon maturity. You have a grace period of ten days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. Promotional certificates may not have an automatic renewal feature or automatically renew to the same term. Refer to the Rate and Fee disclosure provided at account opening.

#### f. Nontransferable/Nonnegotiable.

The account is nontransferable and nonnegotiable. The funds in the account may not be pledged to secure any obligation of an owner, except obligations with the Credit Union.

## Fee Schedule
