

Mobile Wallet Terms of Use

These Terms of Use govern your use of Qualstar Credit Union (QCU) credit cards and debit cards (Cards) in a mobile wallet application, such as Apple Pay.

1. Mobile Wallet Service.

Mobile wallet service is provided by a third party vendor for the purpose of using a compatible wireless phone, tablet, or other compatible mobile device (Device) to purchase goods and services from merchants who accept mobile wallet service as a form of payment. Mobile wallet service uses your Device to authorize your transaction at the merchant's point of sale terminal or reader without your plastic QCU Card. Mobile wallet service routes the transaction charge to the Card you have designated and authorizes payment to the merchant. Mobile wallet service may not be accepted at all places where your QCU Card is accepted. Transactions on your QCU Card initiated through mobile wallet service are governed by the applicable QCU Card Agreement. The provider's Terms & Conditions for mobile wallet service describe your rights and obligations regarding mobile wallet service.

2. Eligibility & Enrollment.

Only QCU Cards that we indicate are eligible can be added to mobile wallet service. If your QCU Card or underlying account is not in compliance with the applicable QCU Card Agreement, that QCU Card will not be eligible to enroll in mobile wallet service. You can add an eligible QCU Card to a mobile wallet service by registering the Card and following the mobile wallet service authentication and enrollment requirements.

3. Card & Service Responsibility.

You are solely responsible for maintaining the security of any ID and password associated with a mobile wallet. If you share these credentials with any other person, you expressly authorize them to access your personal information, access your accounts and initiate charges to your Cards using mobile wallet service. QCU is not the provider of mobile wallet service, and we are not responsible for providing the service to you. We are only responsible for supplying information securely to mobile wallet service as necessary to allow use of your QCU Card in connection with mobile wallet service. We are not responsible for any failure of mobile wallet service, or the inability to use mobile wallet service for any transaction.

Once you have added your QCU Card to a mobile wallet service, you agree not to leave your Device unattended while logged into the wallet and to log off immediately at the completion of each access. If you believe someone may have unauthorized access to your Device, you agree to immediately cancel your access to the mobile wallet associated with the Device. You agree to provide QCU with immediate notice in the event you believe your Device or authentication credentials have been lost, stolen or compromised in any way, or an unauthorized person has used or may use your credentials without authorization. Calling the QCU telephone number printed on the back of your Card is the best way of keeping your potential losses down.

You agree to comply with all applicable laws, rules and regulations in connection with your QCU Card. You agree to take every precaution to ensure the safety, security and integrity of your account and transactions when using the mobile wallet.

4. Limitation of Liability.

QCU is not responsible for mobile wallet service. You expressly acknowledge and agree that use of the service is at your sole risk, and QCU is not responsible for the risk as to satisfactory quality, performance, or accuracy. QCU makes no representations or warranties of any kind regarding the service, including, without limitation, merchantability or the implied warranty of fitness for particular purpose and related warranties and representations. No oral or written information or advice given by QCU will create a warranty not expressly stated in this agreement. Should the service prove defective, QCU assumes no liability for the costs of all Necessary servicing, repair or correction.

5. Information Sharing & Privacy.

By enrolling in and using mobile wallet service, you authorize QCU to collect information from the mobile wallet provider to verify your identity and to enable you to use mobile wallet service. You agree that we may share your information with mobile wallet and service providers, payment networks, and others in order to provide the services you have requested, and to make information available to you about your mobile wallet service transactions.
