### Here's what you'll need to get started:

- ▶ **If you are a Home Banking user** you're already set-up and can log-in now
- ▶ **Enroll for access directly on your device** - simply download the app, and choose "Enroll" from the main screen. Follow the steps to provide information verified on your account (it must match what is in our system) and a "one-time PIN" will be sent to the email address on your account. Enter the PIN, and then you'll have access to all of the functions available in Mobile Banking.

With Mobile Banking access you can log-in to desktop Home Banking as well (same username and password), giving you even more functionality.

Scan these codes with your phone to get the app:

iPhone & iPad

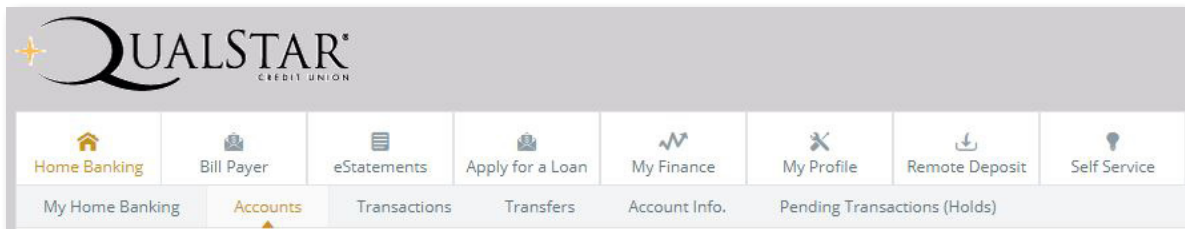

Android

## Home Banking\*
