## Get Pre-Approved for Your Next Auto Purchase

When it's time to trade-in or trade-up, Qualstar can provide you with the rates and terms that best meet your needs and your budget. And, when you walk into a dealership pre-approved, you have even more buying power.

## Mobile Apps to Help Make Things Simpler

Log-in to the **Qualstar Mobile Banking** iPhone or Android app and choose "Apply for a Loan" to start the pre-approval process and secure financing for your purchase.

After you are pre-approved, simply download the **CUDL AutoSmart** iPhone or Android app to browse for new or used vehicles, locate a preferred dealership, and find specialty vehicles (boats, RVs, motorcycles, etc.) - all of which saves you time when you're ready to head to the dealership!

## More Qualstar Auto Loan Benefits:

- **GAP Coverage** - If your car is stolen or totaled, you might have to come up with a substantial amount out of your own pocket unless you have Guaranteed Asset Protection (GAP) Coverage, which pays the difference between what your insurance covers and the loan balance (up to 125% value), in addition to \$1000 of your deductible if there is a "gap" after the primary settlement is paid, and potentially \$1000 toward the purchase of a replacement auto. **All for only a one-time cost of \$375.00, which can be hundreds less than the dealership!**
- **Auto Insurance Discounts** - Through our partnership with **TruStage**, you qualify for a discount and set-up automatic monthly payments directly from your account.
- **90-Days No Payments** - Just another benefit of your Qualstar auto loan, you can take a 3-month break from making your payments and use the cash for anything (minimum credit score required)!
