***Final approval of your skipped loan payment is based on your qualifications and is determined by Qualstar Credit Union.** By signing below, you authorize Qualstar Credit Union to extend your loan payment(s) by one month. Interest will continue to accrue on your loan during the month you skip your payment. If your loan payment is made directly via payroll deduction, the total monthly payment amount will be credited to your saving/checking account in the month you elect to skip. Only one month's extension will be allowed per loan. Your normal payment schedule will resume the month following the skipped payment. This offer is not valid for any loan that is currently more than 30 days past due. For auto loans, be sure to review your GAP coverage terms & conditions to ensure a skipped payment does not nullify your contract.
